Student Perspective

Teacher Perspective

The screenshot shows the 'FF Student Registration' application window. At the top, it says 'Current logged in user: [blank]'. Below this is a 'Log Out' button. The main content area is titled 'Administration' and contains a vertical list of buttons: 'View Courses', 'Create Course Offering', 'Remove Course Offering', 'View Report', 'View Enrolled Students', and 'View Teacher Staff'. Lines from the arrows in the previous screenshot point to these buttons.

The screenshot shows the 'View Courses' window of the 'U of Toronto Registration' application. The window has a title bar with the application name and a 'Log Out' button. Below the title bar, it says 'Current Logged In User:'. The main content area is titled 'View Courses' and contains a table with the following columns: CN#, Class, Capacity, Remaining, Teacher, Time, and Room. The table is currently empty. Below the table is a 'Back' button. The window is part of a larger application window titled 'U of Toronto Registration' with a subtitle 'Current Logged In User:'. The 'View Courses' button is highlighted in blue.

The screenshot displays two sequential screens from the 'Student Registration' application. The top screen, titled 'Create Course', features a 'Course Name' label and a text input field. Below this is a 'Section Number' label with a corresponding text input field. Further down is a 'Course Desc.' label with a text input field. At the bottom of the form are two labels, 'Days Offweek' and 'Student Capacity', each with a text input field. A 'Create' button is positioned at the bottom right of the form area. The bottom screen, titled 'Course Removal', shows a 'Search By:' label followed by a text input field. Below this is a table with the following columns: 'Crs', 'Class', 'Capacity', 'Remaining', 'Term', 'Site', 'Teacher', and 'Acen'. The table has a blue header row and a single data row. A 'Remove' button is located at the bottom center of the screen. The application's title bar at the top reads 'Student Registration' and includes standard window controls. The bottom status bar shows 'Log Out' and 'Log On' buttons.
